

Kitsap County Drug Court Alumni Association

Our Mission:

The Kitsap County Drug Court Alumni Association is here to support current drug court participants, graduates, and families while they make and continue healthy lifestyle changes. We hope to encourage lasting recovery through participation in recovery events, meetings, activities, and community services. We encourage the continued recovery lifestyle through mentorship and fellowship. We facilitate resources to enable a safe and supportive environment where local outreach efforts are promoted.

Our organization is a registered 501(c)3 nonprofit, dedicated to improving the lives of people.

We rely on generous donations from our community and the resources of individuals, families, and businesses to support those that need our help the most.
